

Update Dental  
College & Hospital

# PROSPECTUS

# UPDATE DENTAL COLLEGE

LEADING PRIVATE DENTAL COLLEGE IN BANGLADESH

Update Dental College and Hospital is the noble ventures of a renowned foundation- Alim Foundation. Abdul Alim Mia, a well known philanthropist, was born in Nagarkanda, Faridpur in 1926. He was the dream maker of this foundation. He died and rest in eternal peace in 1979. He was blessed with six sons and two daughters and among them Dr. Md. Moazzem Hossain, Founder Chairman of Alim Foundation, is his second son.

This conglomerate is offering medical, dental & nursing research, health care services to contribution to the growing complex is situated at Turag, near sector 10 of utara, a relentlessly need of the country. The flourishing zone of the capital city Dhaka. The river "Turag" flows beside the campus of the college adding an unlimited fervor to the scenic beauty.

The academic eight storied building of the college is built on its own land having spacious classrooms, lecture galleries, practical class rooms, departmental museums, library, reading rooms etc. is also accommodates a cafeteria and separate common rooms for male and female students having facilities for indoor games. There are separate hostels for boys and girls. Students have facilities for outdoor games also.

The college is approved by the government of Bangladesh. It is affiliated with University of Dhaka. It is recognized by Bangladesh Medical & Dental Council BM&DC. The college has fulfilled all the criteria set by the affiliating and approving authority regarding the quality and quantity of teachers like professors, associate professors, Assistant Professor etc. The administration and teachers are much caring and pay due attention to all the needs of the students so that the students find the atmosphere favorable and homely. The management and the governing body keep constant vigilance on the development of the college as evidenced by its uplift.

The Hospital is situated alongside the college building. It is a 650 bedded hospital with all modern amenities offering emergency outdoor and indoor services round the clock.

This hospital is situated alongside the college building. It is a 650 bedded hospital with all modern amenities offering emergency outdoor and indoor services round the clock.
